On February 21, 2007, Applicant submitted a Response to Office Action and a Terminal Disclaimer with a fee of \$130.00. However, the Terminal Disclaimer was rejected by the Examiner. On August 13, 2007, Applicant submitted a corrected Terminal Disclaimer and authorized the U.S. Patent Office to charge our Deposit Account in the amount of \$130.00, thus paying twice.

Please credit the Terminal Disclaimer fee of \$130.00 to Deposit Account No. 19-5029. Any questions may be directed to the undersigned at 404-853-8037.

Respectfully submitted,
